# Woman Wins Lottery 72 Times Within One Year!

*Numbers & Lottery Expert Cracks the State Lottery Game, now goes public with this "hot" information.*

*"Why am I giving out this information? Because I have all the money I need. Frankly, this is my chance to become the most famous woman in America. Known as 'The woman who beat the Lottery' and enabled others to beat it too."*

Her name is Gail Howard. A controversial figure in State Lottery offices throughout the country. What happened when she gave out her information to certain Lottery players?

***$13.7 MILLION happened for Manuel Garcete . . .*** He picked a number combination as directed in the NY State Lottery. ***$310,000.00 happened for Ken Mathis*** . . . His winning combination was for an international Lottery. ***$604,000.00 happened for Leavelle Carter.*** Gail Howard's report made him rich in the Washington D.C. Lottery. ***OVER $9 MILLION happened for a rural housewife from a grape-growing region***... (She wants to remain anonymous.)

## Why is Gail Howard's "Report" such a winner?

A skeptical Professor of statistics and director of a computer data center studied Gail Howard's "Lottery Disclosure Report." ***His conclusion: This Report vastly increases one's chances of winning the State Lottery by more than 500%. His comment: "Anyone attempting the Lottery would be foolish not to use this information."*** The Director of one of the largest Lotteries in the world had to admit that ***"This (Report) is the secret to winning the Lottery."***

## How long will this Report remain available?

Gail Howard wants to help all the serious Lottery players she can. That is why she has authorized public release of this special Lottery Disclosure Report that REVEALS EVERYTHING ONCE AND FOR ALL. However, inquiries have already been made regarding the advantage this Report gives its recipients. As of the date of this Notice, distribution of this Report has not been stopped by Special Report Office–and as an adult preparing to enter your State or any State or Canadian/International Lottery, you are eligible to receive a copy. ***But you're urged to waste no time about it.***
